Make a Connection

There are three main connections that can be made with a text: **Text-to-Text**, **Text-to-Me**, and **Text-to-World**. Show your personal connections by sharing your thoughts below.

1. What did you think the book was going to be about before reading it?

2. Compare this book to another that you have read. How are they similar?

3. What event in your life does the story make you think of?

4. What world happening does the story remind you of?

5. Was your original prediction about the book valid? Why or why not?
